Maxwell Bito had been hypnotised by Satan on Monday and again today **23/03/2012 at 10:00 am to 4:00pm**. We struggled with the evil one for quite awhile. Satan said that "PAU belongs to me. Who are you, I know Jesus. Yupela liklik magi. I will not leave without a struggle."

Bito requested for Jennifer Litau to me. (Enoch went to get Dr Litau)

After much prayer, confession and soul search, Bito was able the angels were fighting for him. Then he saw a light and it was getting brighter and brighter. He saw the angels were singing. He saw angels descending and ascending in the light.

Dr Litau arrived and started praying.

An angel is here wearing a crown in the room. It was Roboam's turn to pray. He prayed for revelation of things that God wanted to reveal to us. This is what was revealed to us in the room. When he began to talk, Roboam request Cyril Kulanawi to write down what was said.

The Spirit of God has left PAU

The Spirit wants to come back

The Lord is willing to do something for PAU

But PAU must do its best. PAU must do its best and God will do the rest

I am coming soon. I am coming soon.

Changing, Changing, Changing

God has a plan and purpose for every student here on campus

Care takers of the students. Pray for the caretakers.

Forsake your sins

Come out of her my people

Jesus is weeping for us

He wants us to come back to Him

He will be there until the end

Don't give up

Be strong my son

Fight the good fight of Faith

Satan is very angry

Read the Bible and pray

Students are scattered

Jesus should be the first

Teach the students about Jesus

Our hope, safety, guide is in Jesus

Darkness is everywhere

We need light from above

Satan is targeting the young people

He is shooting the shepherds and scattering the sheep

Young people is in terrible danger

Young people are in terrible danger

Jesus is already with us for the week of prayer

We need to pray with undivided heart as one

Mothers must pray for their children and students

Staff's children are fooled by Satan

Satan is fooling the children away from parents so that they can attack the parents

Only Jesus can fix the broken pieces

Don't let this message pass away

Please, please don't let his message pass away

I am coming soon. Very soon.

Jesus is crying for us

He wants to come in

The greatest want of the world is for the man who cannot be bought and sold, man whose conscience is true as the needle to the pole. Man who do not fear to call sin by its right name, though the heavens may fall.

I am coming soon. Very, very soon.

Staff needs to have a revival

They need Jesus

Jesus is crying for the staff

They are the shepherds

Satan's target

Satan is shooting the shepherds to scatter the folk

Heaven will be here for the week of Prayer next week

The singing is PAU is not acceptable in God's eyes

God needs people who will truly love Him

Love Him with all their hearts and minds

Sing with their hearts and minds

Worship with their hearts and minds

Loves those who truly love Him

Those far from Him he pleads for them to come back home

He wants them to come back home

Satan's snares are too hard to resist them on your own

We need Jesus

He is Alpha and Omega, Beginning and the End

Apart from me there is no one else

PAU is my chosen school

Don't spoil my school with pride, jealousy, gossip, hatred

Come back home

I still love you

He loves you more than anything else

Heaven will be with us

I will be with you even unto the end

Don't be afraid

I will not forsake you

I will not leave you

I am coming soon.

The Bible and the Bible alone

Read the Bible and follow it

You will be saved

I am coming soon. Very soon

I am with you in this room

Inside your heart

I understand all your weaknesses but I can give you strength

I love you all

Fight the good fight of Faith

Don't give up

I died for you, the death you should die

I will take you home

No question

No one will stop me

I am bringing you home

I will bring you home

Amen

Market on Sundays spoils the Sabbath atmosphere

This is my campus

Remember my Sabbath

If my eyes were fountain of water, I will cry and not rest

Come unto me all ye that labour, and I will give you strength to carry on

No matter how terrible your sin is my love is unsearchable, no demon, height nor death will separate you from my love

I am telling you this because I am coming soon

I am coming soon

Put them upon thy neck

Write them upon the table of thy heart

I am with you don't be worry and afraid

Put you nervous hand in my hand and I will lead you

Read the Bible

Follow the Bible and the Bible alone

Amen

I will give you the strength

My grace is sufficient for your need

For my strength is made perfect in your weakness

For when you are weak then you are strong

I am already here

I will do for you the things that you cannot do for yourself

It is all in the Bible

Follow the Bible

And I will lead you

Jesus is gone (exit)

When Dr Lopa arrived.....This is his message from God through Bito,
