Time is running out for Planet Earth!

Caught up in spirit, Mr Situ and the heaven sent angel, flying higher passed the equator band, flying higher passed the massive scattered scores of earth satellites, passing vast arrays of numerous planets within the Milky way galaxy, heading on Orion's route. Through the darkness of the Orion band, a blinding light appeared to receive the two into the heavenly Canaan. The Orion gate is huge and so magnificent to behold and lo and behold further lies the Bible Dream land-

"THE HEAVENLY CANAAN- YES.....YES HEAVEN IS REAL". Says Mr Situ

The description of heaven is described in the coming passages.

Here is a story of Mr Nalau Situ who was given heaven sent messages for this time.

Introduction

An angel usually visited from Heaven with special messages to Mr Nalau Situ in vision and dreams almost every morning around 3am to 5am. First encounter was remembered around the beginning of 2011 begging Mr Situ to give up his smoking and kava habits. He had some episodes of illness and the worse knocked him hard around October, 2011 with very strong coughs and shortness of breath in which the description is consistent with emphysema, probably due to his long term use of tobacco and Cigarette. Mr Situ had a couple of encounters with the angel to stop his Kava and smoking habits. Then the last time he tried Kava, it almost cost him his life which the angel told him was his last chance and that was when Mr Situ gave up his habits and gave his life to the Lord and was baptised to become a Seventh day Adventist. Mr Situ was convinced that this is divine intervention, to save his life, was an answer to the prayer of his faithful wife and children. Mr Situ described the angelic being as one of the Commanders of the Heavenly Host having his clothing decorated with respect of the rank pertained to him. The Commanding angel told Mr Situ that he is incharge of our guardian angels who are assigned to each person and usually takes them up every night to give their reports at the Judgement Hall in the courts of heaven where all our records are kept and brings these angels back after their reporting. He usually comes with direct heaven sent messages and especially for the exhortation of the Seventh day Adventist church in Tanna, the churches around Vanuatu and the world churches at large. Angel refers to the messages as reports and messages of warning for the church. (Some of these messages were personal for Mr Situ, some were directly for his families and communities and most were for the churches).

Purpose:

Angel’s message was purposely to warn the church to make preparation for this time. Angel told Mr Situ that he was chosen to be used for proclaiming these timely messages to the church (the Seventh day Adventist Church) to wake them out of sleep and fulfil the demands of its duties and prerogatives given by God ... “Now is the sealing time and probation will soon close”. It is a high time and sealing of the saints is underway toward the close of probation and work that needed to be done must be done very quickly before all these will happen. The events understood by the Bible prophecies are true, and the major events will be rapid ones.

Below is a prayer for those who will read this article: (I Thessalonians 5: 1-28 KJV)

‘But the times and the seasons brethren, ye have no need that I write unto you. For yourselves know perfectly that the day of the Lord so cometh as a thief in the night. For when they shall say, Peace and safety then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape. But ye brethren are not in darkness, that that day should overtake you as a thief. Ye are all the children of light and the children of the day: we are not of the night, nor of darkness. Therefore let us not sleep as do others; but let us watch and be sober. For they that sleep, sleep in the night; and they that be drunken are drunken in the night. But let us who are of the day be sober putting on the breastplate of faith and love; and for an helmet, the hope of salvation. For God hath not appointed us to wrath, but obtain salvation by our Lord Jesus Christ, Who died for us, that, whether we wake or sleep, we should live together with him. Wherefore comfort yourselves

together and edify one another, even as also ye do. And we beseech you brethren to know them which labour among you and are over you in the Lord, and admonish you; And to esteem them very highly in love for their work's sake. And be at peace among yourselves. Now we exhort you brethren:

- i. Warn them that are unruly,
- ii. Comfort the feeble minded,
- iii. Support the weak,
- iv. Be patient toward all men,
- v. See that non render evil for evil unto any man;
- vi. But ever follow that which is good, both among yourselves and to all men,
- vii. Rejoice evermore,
- viii. Pray without ceasing,
- ix. In everything give thanks for this is the will of God in Christ Jesus concerning you,
- x. Quench not the Spirit,
- xi. Despise not prophesying,
- xii. Prove all things, hold fast that which is good,
- xiii. Abstain from all appearance of evil,

And the very God of peace sanctify you wholly and I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ. Faithful is He that calleth you, who will do it. Brethren pray for us.

Greet all the brethren with an holy kiss,

I charge you by the Lord that this epistle be read unto all the holy brethren.

The grace of our Lord Jesus Christ be with you. AMEN.

Background of Mr Nalau Situ:

1. *Agent of the power of Darkness:*

Mr Nalau Situ is a 50+year old Male from West Tanna in Tafea Province, Vanuatu. He is married and had 6 sons. His wife is a dedicated Christian Seventh day Adventist and despite the devoted life of a faithful wife, Mr Situ was a heavy kava drinker and was addicted to it. He was also a very heavy smoker of Tobacco and Cigarette and also specialised in using spells in altering the weather patterns; rain to sun and sun to rain even to the point of generating very strong wind forces like hurricanes. He was popular and famous for such practices.

2. *Dedicated life of a godly mother and children:*

His wife however is a faithful member of the Adventist Women society in Bethel SDA Church in West Tanna/Lenakel and his children are also faithful church goers in most aspects and activities of the church. The faithful Mother and children always prayed for their father that one day he will give up his kava drinking and smoking habits and dedicate his life to God and be used in His service.

One interesting thing about Mr Situ is that despite his kava drinking and the use of spells, Mr Situ is a faithful father in initiating to his wife and children that Sabbath preparation is important. Every Friday, Mr Situ will be found faithfully helping his wife and children to prepare early for Sabbath. He also ceases to do any work on the Sabbath while his wife and children go to church services. Efforts made by his wife to convince Mr Situ to attend church always failed since Mr Situ is also heavily acquainted with the power of the devil.

3. First encounter with heaven sent agent:

Late October to early November of 2011, Mr Situ had a very strong illness due to his drinking habits that almost cost his life. In the midst of his illness, an angel, a Commanding angel of the angelic realm made a first contact with Mr Situ around 13th November, 2011 to tell him that he was chosen to be an agent in speaking timely messages to the church of God for the sole purpose to wakeup out of sleep and prepare herself to meet the coming events and ultimately prepare to meet Jesus when He comes. Mr Situ asked why he was chosen for this special task as he didn't see any qualifications on his part for the special heaven sent privileges. The Commanding angel responded that he was right in saying this but his record of faithfully helping his wife and children prepare for Sabbath had indicated that his respect for the Sabbath is sincere. In addition, he was humbled and his simplicity in all aspects of his living had caused this special opportunity to be entrusted into his account. The angelic being continued these words.... “Why do you question heaven's selection in this matter? God's ways are higher than the estimates of mortal man. In the past, heaven had selected very humble and simple individuals, Gideon, David, Joseph and Mary the mother of Jesus and Ellen G white, etc.” By the estimates of man, many appear to be talented but heaven saw them as too proud to be entrusted with such privileges. Mr Situ had been struggling over that issue for quite a long time before he started to accept that he was given special, direct and divine messages to encourage and share with the church and others who will heed and make serious decisions about their lives and prepare their lives before it is forever too late. With obedience to the angels' command to share what he had been shown and heard,

Mr Situ shared these messages as what happened to the Apostle Peter and John:
“For we cannot but speak the things which we have seen and heard.” (Acts 4:20 JKJ)

The seriousness of the whole message is summed up in this:

“TIME IS RUNNING OUT FOR THIS PLANET- SPEED UP THE WORK AS QUICKLY AS POSSIBLE BEFORE IT IS FOREVER TOO LATE.”

4. Encounter with the Power of Darkness:

In the midst of the first few visits of the angel, Mr Situ was confronted with the Power of Darkness whom he had ignorantly followed all these years and now encountered in person. The Devil Satan appeared to Mr Situ one morning and declared to him that he is the lord

that Mr Situ had served all these years in his drinking and smoking habits and especially the spells. With the practice of the Spells, he is very close to the heart of the Devils' intentions. When Satan appeared to Mr Situ that morning, he noticed that he was very cross and deeply disappointed when Mr Situ started having such encounter with the heaven sent messenger and promised Mr Situ that if he continued to heed the angel's messages and warnings and sharing with his families and the church, he would kill him. This is Mr Situ's description of the terrifying Power of Darkness, Satan:

Mr Situ described Satan as a very powerful figure with very strong muscular arms and a very, broad head with redness of eyes and great wrath. His arms and hands are so huge that if he would grab Mr Situ just with one hand, he would break him to pieces. His hair is rough and on his back he had two huge swords. In his disappointment, Satan said these words to Mr Situ.... “Why do you want to leave me this time? Why are you telling people to get ready to meet Jesus in His second coming? Are my miracles not enough to convince you that I am a better boss and I am powerful? Are my foods(Kava, Smoke) not good for you? You are a looser...you will regret in leaving me but I am assuring you that you will come back to me sometime again one good day. The angel that usually visited you every morning is a liar and he tells you lots of lies. I will never get burnt by the fire that the angel told you that God is preparing to burn me with”. Then suddenly he pulled out the two huge swords in front of Mr Situ and began demonstrating swinging it in front of him and from side to side. This made Mr Situ very frightened.

“You see, if God rains down fire, I will cut the fires and quench it with these two swords and protect my people. Fire will never burn me. I own this world, when I was thrown out of heaven up until now, I own this World and all the people here are mine. Do you think by sharing the warning messages to these people and church will make them think serious in preparing to meet their Lord? I want to assure you that this bunch of people are all mine. When you are sharing, lots of people doubted what you said and heavily criticized you and told you that it is all lies. You are wasting your time. If you want to see my people, try going down this time and have a visit at the street towards down town Lenakel town...all these people in the Kava bars and night clubs during the weekend are mine. Before Jesus comes, I will perform a very big miracle for people to see and believe me and get them under my control and ownership. But if you start winning people, I will come again the second time..do you hear me....do you hear me?”

He was so cross that he shouted at Situ and almost jumped into him and immediately Situ woke up while his whole body was severely shivering/(His entire body shivered all the day long). Truly, the devil is powerful, but God the Almighty is more POWERFUL than the Devil, Satan.

So frightened and terrified, Mr Situ woke up, shivered all over and as his usual practice after each visitation of the heaven sent angel, he would say his prayer, sing few hymns, and meditate upon the scripture and while dosing off to sleep, the angel from heaven visited again to encourage him. This is part of their conversation.

“Do you see someone coming to you and visiting?” Said the angel and Mr Situ nodded in response.

“ I would like to assure you and encourage you that we are on your side, don't be afraid of the devil Satan. You will see at the last time, God will rain down fire which was already prepared for him and his angels and you will witness Satan fleeing with his two huge swords

before the people whom he had deceived and he will be burnt to ashes so don't worry about that. If you are faithful in heeding the warning messages given to you, people will believe and accept these warning messages as from God and will make good choices for Christ about their lives. Only be faithful in proclaiming these end time messages”.

5. *Visit to Heaven (In spirit)*

One morning around the same time, an angel came again and this time he took Mr Situ in spirit to pay a visit to the heavenly Canaan. This is a description of their journey from the very mouth of Mr Situ.

“The angel took me in spirit and we were soaring higher from this dark world into outer space. We passed masses of planets and ended up at Orion's band. Angel told me that we are following the everyday routes of the angels who are coming back and forth from heaven to the planet in their ministry. 'It is the same route that Jesus followed when on his way up to heaven from the Mount of Olives'. As we were looking at the beautiful Orion galaxy, there was a blinding light that penetrated from behind the darkness. The light caught both of us and we passed a very huge gate called the “Orion gate”. It was a massive gate that stayed open all the time and was heavily decorated with special architecturing features- very beautiful to behold. Beyond the gate is so glorious to behold, the Kingdom of Glory....God's Holy City the New Jerusalem. Just after the gate was a very huge rainbow..Angel told Mr Situ that it is not the rainbow of rain but it is there to brighten and lighten up the place. It was magnificent to behold and very big. Looking passed the rainbow lies the massive glorious Kingdom, the New Jerusalem. It is truly a golden city. The city is also lighted with all its splendour, glory and beauty... “it was all overwhelming”. On all 4 sides of the city are 12 pearly gates, very huge, 3 on each side. The angel told Mr Situ to behold the Mansions that they are preparing. Each mansion had a very huge room deeply decorated with gold and all kinds of precious stones-not to mention the floor was deeply tiled with transparent gold. The veranda of each Mansion was so huge made again of pure gold and supported by very huge Pillars, also made of Gold. Mr Situ asked the angel about the builder of the Mansions and this is the angels' reply:

“The designer, builder and maker of the city with its foundations is God. He also designs the Mansions but has given the privileges to angels to build the Mansions according to His Will and design of each individual on earth. There is still space to build but it looks like we are almost done....not long.” Mr Situ looked at one of the huge pillars that supported one of the mansions and the form and architectures just caught him in awe, he had seen nothing of that sort in this World. Said Mr Situ “I can't use words in my mother tongue to describe.. words are limited for explanation” Since he is not too fond of beautiful houses as he owns a simple grass house, he told the angel that he might as well sleep outside when the Saints finally inherit their eternal rewards and mansions in heaven. Said the angel.. “No you can't do that, you have exactly a room like that of your own liking...YOU WILL HAVE ONE FOR YOURSELF.” He was so amazed about that statement... “I am so cheap for such a reward. What is so special about me to deserve so much from God and His Son Jesus”. So he was comforted with these scenes and the words from the angel.

After that the angel took him into the Judgement Hall of the City..described as a court house or Court Hall- very huge and also magnificent indeed. They went inside the Hall and here is a piece of the description Mr Situ gave:

“In front of the throne,Jesus sat wearing a crown. The crown twinkles in different beautiful colours. Behind the throne is the Ten Commandment which had the writings. On top of the writings had these inscriptions... “LAW” and below had also this inscription “SEVENTH DAY ADVENTIST”. While looking the fourth Commandment is beaming brightly very easy to read .. “REMEMBER THE SABBATH DAY TO KEEP IT HOLY”. All cases and reports were judged according to the Ten Commandments. In front where Jesus sat and on the sides are scribing angels that took the record of reports given for each person on a daily basis and whatever is being done on the planet earth. Mr Situ could see each of the scribing angels take something like a feather from behind his wings and dip it in an ink bottle on the table where he is sitting and write the recording of the reporting angels. He was so curious and asked the angel whether it was the angels’ feather he used for writing but told him that it is heavens’ pen, it had its place behind the angels wings. The Hall was like a theatre. From bottom to top were millions and millions of angels sitting to witness each report. Angels from the earth came in one by one in front of Jesus and gave their reports. When the report is good and impressive like winning souls for Christ, all the witnessing angels gave a huge oration and clapped their hands for the impressive work. Further to the good report, there is a happy smile in the face of our Lord Jesus and the reporting angel for the impressive work well done. When the reports are bad, the reporting angel looks down in sympathy and with tears gives the report. There is silence in the Hall for such a report and there is also sadness in the face of Jesus and also everyone in the Judgement Hall. After such a report, Jesus will tell the reporting angel to file the bad reports. When the sinner asked for forgiveness, the reports being filed is wiped and forgotten not to be remembered again and the file clean. The reports were then filed in a large cabinet or shelf at the back. The procedures described at the judgement Hall came to a Halt on the Sabbath and reports reported straight after close of Sabbath. Mr Situ looked at the filing Cabinet which was a really huge filling cabinet. Scores and scores of files for each person since man began on the planet earth. On another shelf are some huge books...very huge indeed. Mr Situ could see one of the angels pull out one of the huge books and on the cover something reads like this.. “Book of Remembrance”. All good deeds are recorded in that book and God remembers us for those good works. Mr Situ came closer and the angel told him that the book of remembrance had just a few pages left to be filled. He also saw another book being shelved was pulled out and on the cover it reads “BOOK OF LIFE” He went closer to have a look at that book and many names were written in that book and they were arranged in alphabetical order. The angel showed him some names whom he knew and some pioneers who first brought light to Tanna. As the angel continued flipping the pages of the book of life, one name caught his attention....he could see the emboldened name of **Pr Simon Garae**..the angel told him that Pr Simon is a mighty warrior of Christ and a beloveth friend of angels... “We had a great respect for such warriors of Christ.....on occasions in his ministry...angels almost talked to him” He also saw one of the pioneers by the name of **Pr Daniel** from South Tanna, Pr Daniel’s name was also inscribed in the Book of Life- inscribed beside those names...dead in Christ waiting for the glorious

morning. "You see other names in the book of life of those who are still alive on earth are not permanent. We are saddened to always remove names from the book of life and make a transfer of the names to the Book of Death. Tell the people on earth that they must secure their names in the Book of Life." After a report was given, Mr Situ saw all the angels (The reporting angels, the scribes and the witnesses) standing and singing the words of this beautiful hymn.... "Tis almost time for the Lord to come"- The angels sang this hymn with a deep respect and bowed in total, complete reverence when the name of Jesus is uttered.

Below is the wordings of this Hymn worth meditating upon: (*Seventh day Adventist Church Hymnal- N#212*)

"TIS ALMOST TIME FOR THE LORD TO COME"

Verse 1- Tis almost time for the Lord to come, I hear the people say, the stars of heaven are growing dim it must be the breaking of the day.

Chorus

O it must be the breaking of the day!
O it must be the breaking of the day!
The night is almost gone,
The day is coming on;
O it must be the breaking of the day!

Verse 2-The signs foretold in the sun and moon, In earth and sea and sky,
Aloud proclaim to all mankind the coming of the Master draweth nigh.

Verse 3- It must be time for the waiting church, to cast her pride away, with girded loins and burning lamps, to look for the breaking of the day.

Verse 4- Go quickly out in the streets and lanes and in the broad highway,
and call the maimed, the halt, and blind, to be ready for the breaking of the day.

After the visitation to the Judgement Hall, they went out to pay the visit toward the middle street. They came across a beautiful river and began following the bank of the river. Mr Situ looked into the river and it was really beautiful to behold. It is magnificently clean as crystal. No stain of dirt could be located in it or even in the City. The river winds upward and proceeded out from the Throne room of the Universe.. "The Throne of God and of Jesus". As they journeyed the bank of the river, they came across the very huge tree. The tree is so beautiful to behold. Its stem is like that of transparent gold. The stem grows straight and is linked to another stem on the other side of the river. The angel told him that it is the tree of Life. The fruits of the tree of life were orange green (Silver mixed with gold). Mr Situ would like to pick one of the fruits when suddenly the angel bids him to stop. "If you touch the fruit, you will not go back to earth. But if you prove faithful to God and follow Him all the rest of your life, then you will be privileged to touch and eat the fruit of the tree of life and the fruits of this Land". After visiting the river, they went passed the woods and trees which again are so wonderful to behold. Every leaf of every tree is living green. No speck of dirt and no dry leaves can be

spotted. So surprise, Mr Situ asked the angel, “Are there cleaners here that clean the tree and the place?” “No...there is no spot of stain or dirt in this place, it is a pure place with no contamination as back on earth’, was the angel’s response. While they passed the trees, Mr Situ could almost hear the tree whispering and softly talking to them as they pass by..they sounded as if saying ‘glory...glory’. They come across a band of animals, dears, cows, Lion etc. They are grazing and as he looked at the grass being grazed, they didn’t even reduce in height (‘They are everlasting grass). Mr Situ asked the angel... “Where is the animal dung’s kept?” ... “Sorry no trace of such in this place also.” It was also very fascinating to Mr Situ. After the tour, the angel told Mr Situ that that was enough of the visit and gently bore him down to earth again. Mr Situ awoke out of the vision and Angel told him that he had just been taken in his spirit in vision to visit the heavenly Canaan and be encouraged by the awaiting Eternal weight of glory to be rewarded to the waiting Saints on earth. “Take heart, you can win Heaven.”

WARNING MESSAGES & ENCOURAGEMENTS

Angel told Mr Situ many messages of warnings and encouragements for the church. Below are short points of consideration for the church. Please do take these warnings and messages as encouragements:

6. Message 1= **Jesus is coming very very soon**- Sooner than our expectation. It seemed as though people are not careful about their lives and worry more about the cares of this world. The coming of Jesus is likened to a thief. Therefore it is urged that people see the seriousness of this time we are living in and allow God to reform and revive their lives for His finishing work on earth. The Ministry of angels coming and going forth to and fro from heaven is rapid and takes extra speed. The angel said.. “Call on the church to wake up out of sleep and speed up the work”
7. Message 2,= There is **only one true Church on earth**- “The Seventh day Adventist Church”- On one occasion, Mr Situ and his wife had the same dream. There were three rows of people that can be seen. The first line was standing in the brightest of the light and were named “The Seventh day Adventist Church.” The second group were standing at the edges of the Light which was not that bright and were named.. “The Christian Churches”. Then the Last group were in outer darkness and were named... “The custom, John Frum and other religions”.
Said the Angel= “God only has one true church and that is the Seventh day Adventist Church. The other Christian churches must know that and genuine Christians and others of other religions of the World are called to join God’s last day church before it is forever too late. Now is the time for God’s Word to be proclaimed in its full strength.”
Further to that message, “Sabbath is the only true day for worship but not Sunday. Seventh day Sabbath is God’s only seal. Sunday, however is the mark of Satan- All honest Sunday worshipers should hear this truth because they are God’s children and they must decide whether to keep the Sabbath or not keep the Sabbath before probation closes. Jesus is crying for His people in all other churches and religions to follow the true church of God

which is the Seventh day Adventist Church and they have to make the solemn decision quickly before probation closes.

8. Message 3 = Fragmental groups of the Seventh day Adventist Church/Break away families must be given this final call before probation closes. They must come back and join the mother church conference in order to help speed up the work in one accord and in unity.
9. Message 4= All church members need to continue paying their tithes and offerings to the conference system- This is God’s system at this time on the earth and there’s no other,
10. Message 5 = This is binding and true, When the church finally disfellowships a member here on earth, it is also binding in Heaven.
11. Message 6= **NOW IS THE TIME FOR REVIVAL & REFORMATION**=The church is to be reminded that we are right at the time of the Latter Rain period therefore individual members need to reconsider their ways and earnestly seek God in earnest pray to invite the Holy Spirit into their hearts, stop wilful sins, pray and allow God’s Holy Spirit into their lives and they will see what will happen, We must not wait and linger in this respect (This is a Special appeal for church leaders and they must act on it- A consecrated, revived and reformed leader will have a tremendous influence upon his members)- Its about time for church leaders to preach this message in pulpits and apply the message. Mr Situ saw that the World church at the General Conference of the Seventh day Adventist Church is on fire in initiating Revival and Reformation and revival is taking place everywhere in this World while in Vanuatu we are still sleeping. “When will you wake up out of sleep?” Said the angel. Then the angel drew a weighing scale and weighed out these three countries in the South Pacific.... “PNG is closer to God, while Solomon is following but Vanuatu is still far away. Why is this so? Probably it is still a paradise to most people. Wake up Vanuatu out of your sleep.”This is the call of the angel.
12. Message 7= The Churches needed to organise revival and Reformation programs before they present the 3 angels message to the lost souls and this must be done quickly. Now is the time in proclaiming the 3rd angels message. In proclaiming the 3rd angels message, the First and Second angel’s messages will be also given accompanying the 3rd angel’s message. We are pursuing the work of God at present with much physical efforts but without full attending to reforming and reviving ourselves. If we would allow the Holy Spirit to make sincere revival and reformation in our lives, then with our efforts, the work will be done in a greater capacity as never have been witnessed before.
13. Message 8= Sabbath- Welcoming of the Sabbath is to be kept according to the Bible and according to God’s timing. At sunset on Friday, our worship should be completed. At sunset closing Sabbath should be the same. The angel spent quite a bit of time to explain to Mr Situ about the issue of Sabbath keeping. Angel told Mr Situ that God assign angels who are responsible for all Seventh day Adventist churches around the World. On every Friday 3pm, God send his angels to all churches around the World to Welcome, Fellowship and take reports of each churches on how they worship. Mr Situ saw the angels stand with welcoming hands to welcome those who came in early for opening Sabbath. When the pulpit party have their place in front, the angels followed and stand beside them until the service ceases. After Sunset Friday, when the Sabbath is finally welcomed, the two angels left for Heaven. When the two angels left, Mr Situ could see that evil angels welcome those who came in after opening Sabbath. Angel told Mr Situ that it is a very serious business to God and His Holy angels when it comes to welcoming and opening the Sabbath and we must strive to enter

God’s Holy Sabbath as He bids us to keep(Lest we forget... ‘Remember the Sabbath Day to keep it Holy’).

The two angels return early before Sabbath School starts and stayed till Divine Service closed and went back to heaven. They return early before AY starts and stayed in the church till the close of Sabbath. When it is Sabbath Sunset, the angels left. Most angels went up to heaven at the close of Sabbath with Sadness on their faces since most reports are poor with respect to keeping the Sabbath while good reports of properly keeping the Sabbath from opening Sabbath to Close of Sabbath makes them happy. More angels attend in special combined gatherings on Sabbath(E.g 13th Sabbath, church combine program, District meetings, and more during Baptisms, Mr Situ saw scores of angels attend during Baptisms) and on such occasions he could see that angels usually visited in companies with their commanders those of a higher ranks of the angelic order were very very powerful. On such occasions while the Commanding angels move back and forth the other accompanying angels would pay respect to their commander. Mr Situ saw that the works of the angels are in a very strict order and that is their given responsibility to assist in the Salvation of mankind since the fall until today. Further to keeping the Sabbath day Holy, angel bid Mr Situ that no private business and topics should be discussed on the Sabbath..e.g- Personal issues, Politics, Family business and issues, Land issues, etc. It should be a consecrated time for the Lord. Another uprising issue that the angel warn Mr Situ to relate to the church is the lateness to all our church worship. We are so lazy that we are late for almost everything; Lateness for opening Sabbath, Sabbath school, and AY and closeof Sabbath and even Wednesday Pray meeting. Church members are too lazy to come early when the bell dongs...angels are serious about our timing for church services. If we are late...we will continue lateness till the cloud will open and we will be late to meet Jesus when He comes and this is really serious. Another issue is our dressing for the Sabbath- Our dressing for church should be simple both our adornings and clothings and even our hair style. It displeases the angels when we waste too much of our time and resources to decorate the poor mortal body with so much expensive ornaments. Be simple in your dressings as it also shows your reference to God.

14. Message 9 = It also displeases the angels when we bring tiresome repetition of God’s Name in time of prayer because this kind of prayer is in vain- Breaking of the Law, Ten Commandment (Thou shall not take the Name of the Lord thy God in Vain).....e.g Father, Father, Father, Father, Father, Father. We should start our prayer to God as an opening remark in our prayer. A good example is the opening statement Jesus thought His disciples on how to pray.....e.g. Our Father Who art in Heaven, Hallowed be Thy Name, Thy Kingdome come, Thy Will be done on earth as it is in heaven....then continue your communion with God. Angels feel very hard to call Him by Name so they refer to Him as Lord, Master due to the Holiness of God and angels bid us not to use His name in Vain. Angels do not call Jesus by that Name Jesus... They only refer to Him as Lord or Master. God’s Name is Holy. Jesus’ Name is Holy and very powerful....devil trembles when Jesus Name is called. Further to praying in the Name of our Lord is our praise to God. Our praise to God should be simple and pay much to reference as what the angels usually do. Angels frowns when we dance around and make all kinds of noises etc. In such services, Mr Situ could see the angels and especially guardian angels turn their back from such and cover their faces in displeasure.

15. Message 10 = Fixing our angers and disappointments-Angel told Mr Situ that we should fix any inconveniences with our spouses, children, work mates or others before sundown every day and especially before Sabbath comes. It has a very strong biblical foundation.
16. Message 11=Backbiting and criticism towards ones neighbours, etc is disgusting in the face of heaven. If we would live on earth with such, how can we live in heaven with such traits in our character? This is part of the Revival and Reformation messages to the church. Therefore, we should invite the Holy Spirit into our lives so that we can experience a change in our lives.
17. Message 12=Fixing your debts/account: It is important to fix any debts incurred on your side to whosoever you are indebted to. Any unresolved debts wilfully ignored will stop you from heaven. Mr Situ was shown his debts with a family members/borrowing an amount of money without repay. When he received this warning, he tried his best to fix his debts as quickly as possible. So Mr Situ join with Mr Yakapas his scribe for 5 days fasting and God answered his petition and he fixed this account.
Further to this warning is our Bank account transactions (Information for Church members)- Angels told Mr Situ that those who have some lump sum funds in their bank account must withdraw before probation closes & those who are idle in town should consider going back into the islands.
18. Message 13= Wednesday Pray meetings- (Message for Seventh day Adventist Church members) -Wednesday Pray meeting is to be applied as well before sunset /Refer to Message 8/Point 13. Wednesday is vitally important for attendance in the churches. Angels who take charge of the churches attend Prayer meetings in much the same way as the opening of Sabbath. Therefore, Wednesday Prayer meeting is very important.
19. Messages 14=IMPORTANCE OF THE TEN COMMANDMENTS:
Every human being is to be reminded in these last days that the 10 Commandments is still binding and relevant for today and not done away with at the cross as millions of people believe this to be. The Judgement Hall activities in heaven are based on the Ten Commandments and even the final judgement will be based according to the 10 Commandments so the World needs to remember this.
20. Messages 15= Probation will first close inside the church of God/the Seventh day Adventist Church according to 1 Peter 4:17. All faithful church members, the weak ones and backsliders included must know the seriousness of this message. This is a serious warning for the backsliders of the Seventh day Adventist Church, they must try their very best to come back into the church before it is forever too late. This is a true and faithful saying; All the unsaved within the SDA churches will reap the worst pain that they have ever experienced so “Please come out of your backsliding while there is still time” Said the angel.
21. Messages 16= BE NOT DECEIVED BY SATAN: Satan is preparing to personate Christs coming just before the second coming of Christ. This is to confuse and deceive all people to his side so God’s elect people must be alert. Many whose faith are not built on the solid Rock will be deceived by the devil Satan. But the difference is, his fake personifying of Christ’s coming is a lonely private one, only few will see it, however, Christ’s coming will be a public demonstration for the whole universe to see and witness... All eyes shall see Him.
In addition, the angel told Mr Situ that there is no everlasting fire for Satan and his angels including the wicked as millions do believe. God will burn Satan and his angels in the last day to ashes and the wicked who are not saved.

22. Messages 17= The Preparation work is ongoing by the heavenly angels in making ready the same path that Christ will follow from heaven, past Orion and all the way down to the Mount of Olives in Jerusalem in like manner as when He went back to Heaven and every eye will see Him. Angel saw that Jesus is starting to make His preparations for His coming by the efforts we put in this World to spread the Gospel message. Angel also told Mr Situ that they are making their survey over the Bible Land especially the places where Jesus had trod. This survey was specifically for the preparation of the same path from Heaven to earth where Jesus had been received into Heaven.
23. Messages 18= TWO IMPORTANT BIBLE TEXT THAT CONNECTS HEAVEN & EARTH;
All God’s people must always remember these 2 texts: John 3:16, John 14:1-3, These 2 texts must be studied by God’s people in the deep sense to see how they connect heaven and earth. John 3:16 is the deepest Love connection & John 14:1-3- is the Promise Connection. These two verses have been memorised by many good Christians however they have not been deeply studying and meditating upon these texts. These two texts will be the main base for every Christian as a reminder because Jesus is coming very soon to fulfil his promise. In addition to this message, Angel told Mr Situ that the people of God have neglected their Bible study. Life is so busy that we have neglected to go back to the sacred writings and spend time studying it. We have been the people of the Book but we have been slack in this modern age. Therefore, Angel reminded Mr Situ that in order to get the interest back into the study of God’s word, God’s people must study the Spirit of Prophecy in which will drive them into the Word of God. “Study the spirit of Prophecy and it will quicken your interest in studying the Bible. Now is the time to get back to serious Bible study.”
24. Messages 19= WARNINGS FOR THE YOUTH- Every Youth has to be warned that it will be very hard for them to heed the warnings and make serious decisions for Christ and ultimately enter Heaven in these final hours due to the strong sweet delusions and pleasures of this world. Satan is multiplying his speed and rapidity of his programs around the world which lures many good Youth into his fold. According to Revelation 12:12- (He hath but a short time), time is catching up with him..he is definitely in a rush.
‘Dear Youth, Pray as never before and make yourself available for church activities. Engaged yourself or you might be in a losing side. Since you are being endowed with Youthful strength, you are bided to help spread the message because this is the generation that will witness Christ soon coming, there is no other generation to come.’
25. Messages 20= IMPORTANT TEXTS for those who are still in doubt: The angel showed Mr Situ these important texts for these messages in this article. “Read this text as a warning to you and stop doubting these messages but believe; Isaiah 8:20, 2 Timothy 4:3-5, 1 Peter 4:17 & 2 Timothy 2:15”
26. Messages 21= HEALTH MESSAGES- Meat eating must now be done away with because animals bloods will weaken the mind and Moral powers to make good and right decisions for Heaven. It will take self sacrifice to be successful in this area therefore you have to kneel down and pray a lot for this and start reducing your consumption of meat- God will surely help you if you take your first step. Further to the above, Angel showed Mr Situ that the Health messages embraced by the Seventh day Adventist Church is part of the 3 Angels Messages and they go hand in hand when preached. It will also be a part of the last great effort to preach the Gospel. The use of Alcohol, Kava, Cigarette, and Marijuana are Satan’s

tools in attracting lots of good people into his control. Now is the time to consider Health reform as an important aspect of our lives and is to be put into practice as we are awaiting the Lord's return.

27. Messages 22= TIME OF TROUBLE IS AT HAND- Angel showed Mr Situ that the Sunday Law enforcements will be the worst treatment for God's people and the preparation process is already in place. Angel told Mr Situ that on their regular travel back and forth from heaven, they passed scores and scores of Satellites orbiting the planet (America and Russia had launched a lot of these instruments and now floating in space). In the time of trouble no one will ever hide by the searching and hunting of these satellites. Therefore, the only safest place to be is to invest your life in the Lord Jesus Christ now. Therefore, the message of Revival and Reformation is repeated again. “Please, this year 2012, is a time for more revival in the church, the people of God need to reform their lives because this year will be the worst year and many lives will be taken away some are prepared, however, many are not prepared.
28. Messages 23 =TIME OF OUR WORSHIP- “Please God's people remember this important notice; Your evening worships; Wednesday pray meetings, welcoming of Sabbath and Closing of Sabbaths must be based on time “Before sunset”. It is a definite sign of sacrifice and your loyalty to God.

Appeal and Conclusion:

These 23 messages were for the exhortation to all Christians around Tanna, around Vanuatu and all around the World. It had been shown to Mr Situ that these messages will be heavily criticised and scorned at. Angel said “Remember what had happened to Noah, to Lot, to the Apostles in the day of Pentecost and also don't forget Ellen G White for she was also heavily criticized.” Above all it is the prayer of these messages that these warnings be heed and meditate upon:

May we heed these warnings =**Proverbs 1:20-33 KJV:**

“How long ye simple ones will ye love simplicity? And the scorers delight in their scorning, and fools hate knowledge?

Turn you at my reproof; behold I will pour out my spirit unto you, I will make known my words unto you.

Because I have called and ye refused; I have stretched out my hand and no man regarded. But ye have set at nought all my counsel, and would none of my reproof. I will laugh at your calamity when your fear cometh as desolation and your destruction cometh as a whirlwind; when distress and anguish cometh upon you. Then shall they call upon me but I will not answer; they shall seek me early but they shall not find me. For that they hated knowledge and did not choose the fear of the Lord. They would none of my counsel, they despised all my reproof. Therefore, shall they eat of the fruit of their own way, and be filled with their own devices. For the turning away of the simple shall slay them and the prosperity of fools shall destroy them.

“THE LATTER RAIN WILL FALL WITHOUT THE NOTICE OF MANY CHRISTIANS EVEN IN THE CHURCHES!”

BUT WHOSO HEARKENETH UNTO ME SHALL DWELL SAFELY, AND SHALL BE QUIET FROM FEAR OF EVIL.”

May you give ear to these messages and give your life to the Lord Jesus Christ today. The end of the Earths’ journey is almost at its close. The activities of this planet are winding up and the Lord will not allow the earth to continue sustaining life in the coming years. The angel told Mr Situ that Jesus had been so sorry for the angels of the Ministry they are involving in saving fallen man since the fall of Adam and Eve and He will not allow His good people to wait a little longer. God is surely cutting his work short in righteousness. The Seventh day Adventist Church is to heed this warning and prepare herself to receive the blessings of the Latter rain.

EVEN SO, COME, LORD JESUS. AMEN!
