Time is running out for Planet Earth!

In addition to the first compilation of the Testimonies presented to Mr Nalau by the Angel of the Lord, Mr Nalau was privileged again to pay another visit to the heavenly Canaan in Vision. This is the second lot of the Testimonies under the same banner "Time is running out for planet earth."

From the compiler: For the reader before you proceed:

To God be the glory great things He hath done. This article is specifically for the exhortation of the Seventh-day Adventist church members and families everywhere. As this is first Hand information, it is encouraged that the readers of this article read this article prayerfully and ask God to help him/her understand the purpose of these Testimonies. The intention of these Testimonies are to alert the reader of the seriousness of the time we are living in at the moment, prepare them meet the coming crisis and to be able to stand in the day of the Lord. You are bid to be like the Noble Bereans to search the sacred writings comparing scripture with scripture in order to ascertain if these writings hold the truth.

These Testimonies are shared with earnest prayer from the compiler, scribe and Mr Nalau Situ to those who will be humbled enough to accept divine revelation as a fulfilment of Joel 2:28.

Wishing you God's divine blessings as you prayerfully read these testimonies, meditating upon the messages, ultimately making a choice to accept Jesus as your personal Saviour and Lord and prepare to make a stand during the coming crisis and Jesus second appearing.

Introduction

The first testimonies were received by lots of people around the world and many sceptics have heavily criticised and scorned these testimonies. Despite the negative impact of some, many have received these warning messages and seriously considered where they are in their walk with the Lord and have admitted that it is high time to wake from their slumber. This is a wakeup call for the slumbering Laodiceans. When David the scribe asked about what title should be given to the second lot of Testimonies, the angel of the Lord repeat the same Title to Mr Situ:

"Time is running out for Planet earth!"

Why was the Title "Time is running out for Planet Earth" chosen for this second lot of Testimonies?

The same title is being chosen because Jesus is pleading to His Father to spare a little time for His people to be saved. The World is now in a period of borrowed time, therefore this continuous emphasis of: 'Time is running out for planet Earth' is supplied for these testimonies.

Purpose:

Said Mr Situ... "God gave his Love messages to His Son Jesus, the Son of Righteousness. Mr Situ was the recipient of the messages given through Christ Holy messenger, a commanding angel of the heavenly host at 3am every morning." The Love message comes with warning to warn and wake the church to make preparation for this time. The angel of the Lord repeated the words from the first testimony that now is the sealing time and that probation soon will close. These testimonies are not new but are repeated to wake the people of God encouraging them to read the testimonies in the spirit of prophecy written by the servant of the LORD, Ellen G White. According to the channel of divine operations, when God's Judgement is coming closer, the angels will step in to complete the work. eg In Noah's days'; the angels were involved in guiding the animals and birds into the ark before God rained down His judgement by the flood. During the Sodom and Gomorrah event, the angels of the Lord also rescued Lot and his daughters out of the cities before God again rained down fire and sulphur upon the inhabitants of the evil cities.

Below is a prayer for those who will read this article: (I Thessalonians 5: 1-11,18-21 KJV)

'But the times and the seasons brethren, ye have no need that I write unto you. For yourselves know perfectly that the day of the Lord so cometh as a thief in the night. For when they shall say, Peace and safety then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape. But ye brethren are not in darkness, that that day should overtake you as a thief. Ye are all the children of light and the children of the day: we are not of the night, nor of darkness. Therefore let us not sleep as do others; but let us watch and be sober. For they that sleep, sleep in the night; and they that be drunken are drunken in the night. But let us who are of the day be sober putting on the breastplate of faith and love; and for an helmet, the hope of salvation. For God hath not appointed us to wrath, but obtain salvation by our Lord Jesus Christ, Who died for us, that, whether we wake or sleep, we should live together with him. Wherefore comfort yourselves together and edify one another, even as also ye do.....

In everything give thanks: for this is the will of God in Christ Jesus concerning you. Quench not the Spirit, Despise not prophesying, Prove all things; hold fast that which is good.

Deuteronomy 7:9 KJV- "Know therefore that the LORD thy God, He is God, the faithful God, which keepeth covenant and mercy with them that love Him and keep His Commandments to a thousand generations."

I Samuel 12:22 KJV- "For the LORD will not forsake His people for His great names' sake: because it hath pleased the LORD to make you His people."

Prayer:

LORD, so bind our hearts to thee that we will see you and your church in their beauty.

HEAVENS SPECIAL MESSAGES GIVEN DURING THE MONTH OF FEBRUARY TO APRIL 2012

1. The Angel of the Prophet Elijah begins the work

[15th March 2012]:

Early one Wednesday morning, 15th February 2012, the Commanding angel of the Lord's host came and related to Mr Situ about the work of a special messenger. **The angel of the Prophet Elijah** is beginning His mission and will continue till probation closes and until Jesus comes. Therefore, the message that '*sealing is taking place and in full process*' should ring out all throughout the whole world and it is no longer time to play around with life's pleasure and cares of this world. Mr Situ didn't know what this angel was all about and the Lord's messenger gave him an explanation after 2 days. The **angel of Elijah** will support the work of the latter rain until its completion. The Commanding angel of the Lord bid people everywhere to read **Revelation 18** to see the seriousness of the last final warning message. The angel lit the earth with His Glory and gave extra power to the messages of coming out and standing clearly (i.e separated from the World) before God will rain down his divine judgement of the 7 last plagues. The Lord has honest sincere children in other Christian churches that worship on Sunday and they have to hear this warning before it is forever too late. Mr Situ then woke up and read the 18th Chapter of the book of Revelation around 4:30 am.

2. 2012-More preparations towards Sunday Law Enforcement:

During the same visits, the Commanding angel of the Lord told Mr Situ that before Jesus comes, Satan will fight his final battle against the people of the Lord through the system of the Sunday Law enforcement. Satan is now in full speed trying his very best to rapidly speed up the setting up of Sunday Law enforcement. He is also trying his very best to keep as many people in his fold and prevent them from being saved into God's eternal kingdom. Since the beginning of 2012, there have been lots of ground work as a preparation towards Sunday Law enforcement. That is why Jesus wants us to spread the news to the good people of God everywhere. These include those who are worshipping on Sunday and every person in the Custom/traditional system to make a decision before it is forever too late. God's people have to make serious decisions before it is too late. The host of the heavenly angels are moving in a more swift and rapid speed. The Commanding angel of the Lord is saying that it this the final work before probation closes and God's divine judgement is poured.

3. Second visit to the Heavenly Canaan:

[End of February 2012]:

Mr Situ was again given the privilege to be taken by the Heavenly messenger to visit Heaven on a second visit. Before February 2012 came to an end, the Commanding angel of the Lord came one early morning and took Mr Situ in vision into the heavenly Canaan. The angel of the LORD raised him higher and higher from this dark world and eventually bid him look up. When he gazed up, he beheld an immense open space with a very bright light shining out of it. "It is the open space of Orion" said the angel. It is the same route in which the angels take

every day in their trip back and forth from Heaven to Earth. Not before long Mr Situ could not comprehend the open space as they were now inside. The place was indeed bright, brighter than the daylight or noonday sun back here on earth. Soon they reached the gate, the Orion gate. The gate had decorations that twinkled in beautiful colours and before they came closer, it swung open. There was a right and left gate. Both of them swung open into the cloud. There was a round opening on top of the gate with very beautiful diamond shape decorations. Mr Situ's height was less than half that of the gate. The height of the angel was half the height of the gate. The gate was very beautiful and couldn't be described in all its heavenly splendour. As they began their journey inside, the angel told Mr Situ that the route they are following is the same route where the angels escorted Jesus on His first coming to earth to be born in Bethlehem. At the resurrection from His death at his ascension, they also followed the same route. So in His Second coming, the angel will follow the same route again. "So when you are seeing Orion in the night, you are actually looking at the entrance to Heaven" Said the angel. Tears filled Mr Situ's eyes with Joy as he was privileged to enter Heaven the second time. "From the Orion gate onward this marks the territory of the New Jerusalem." Said the angel.

a. Territory of the New Jerusalem outside the country side:

From Mr Situ description: "As I looked at the city, the New Jerusalem, I beheld the huge rainbow (Not of Rain) which leads into the city. Its reflection is that of the sun to lighten the place. Instead of passing through the rainbow into the city, we flew passed the other side into the country side to pay a visit there. We passed some short grass that was beautiful indeed and also some trees with beautiful fruits. We also passed some animals including cattle, sheep, deer, lions and tigers. These animals were very friendly. The interesting thing is that the Lion do not eat meat but also graze upon the grasses but while they are grazing the heights and size of the green grasses remain, it's like magic." Mr Situ was so surprised that he couldn't believe what he saw as he tried to compare with the situation in our sinful world. As they passed under some of the trees, Mr Situ made contact with the leaves of that tree and was really shocked and jumped. He thought that he had bumped into someone however the angel of the Lord comforted him and reminded him that they are strolling in the paradise of GOD. Everything inside is alive and every living thing in God's paradise played their part in praising the Creator God. When Mr Situ's bumped into that tree, its leaves sang "Glory, glory". As he was thinking about that, a conviction overwhelmed him that heaven is a real place. "After strolling and admiring the beauty of the place, we came across a beautiful flowing river." Said the angel "This is the River of Life". Mr Situ was excited that he wanted to dip his finger into the river when suddenly; the angel stopped him. Mr Situ then followed the winding river to find its source and mouth; however, the angel told him that they would follow the river towards its source inside the city. They followed the river that lead into the city and passed two huge trees that had their stems one on either side of the river but joined at the top of. When Mr Situ saw that tree, he knew that it was the tree of life since he had seen that tree on his first visit. When Mr Situ approached closer, the branches of the tree of life bent closer to his aid with its fruits. When Mr Situ saw those beautiful fruits, he was about to pick one when suddenly his guide bid him not to touch the fruit, as he was not ready but if he proved himself faithful, he will have the right to

eat of the fruit of the tree of life. Said his accompanying angel, "If you eat the fruit of this tree, you will be filled with all goodness of heaven inside your body and be filled abundantly. You are here as a witness of what you see. Go back to earth and tell everybody in the world that heaven is real, the tree of life is real, and the river of the water of life is real. This is just the same as John saw in his vision on the island of Patmos and Ellen Whites description in the Spirit of Prophecy."

b. Territory inside the City and God's Holy Throne:

Said the accompanying angel. "But your trip is not yet finished, I would like to show you another thing before I take you home."

Then both of them went in the direction of the wall of the city and the angel took him and they flew over the very huge wall. They kept following the river of the water of life inside the city that lead right into the throne of God and of the Son of God. As they came closer to the source of the water of life, the angel of the LORD told Mr Situ to look very carefully at the source. However, the source was very bright indeed, described as a blinding brightness. The angel begged Mr Situ to keep on looking into the brightness and when he did, he realised that one of his eyes that had been poor in sight had recovered and could see clearly again. He testified that now he can see clearly again because of that experience. From gazing into the source of the water of life, Mr Situ knew that he was beholding the Throne of God. Mr Situ testified that nobody in the World could see God with his or her naked eyes since God is so HOLY, HOLY and HOLY, and His GLORY is so strong and very bright indeed. "That place is the source of every living thing in the universe," Said the angel. Further to that, Mr Situ could not see a sun to lighten up the place but the place was lighted up by the brightness and brilliancy of the Throne of God. The bow that he had witness on their entrance to heaven was reflecting the bright light from the throne of God and lit up the whole of the New Jerusalem City in Heaven. As they continued beholding the Source of the river of life, the angel asked Mr Situ to look very carefully towards the right side of the throne of God. Mr Situ looked very carefully and beheld Jesus sitting also on His throne. He wore a crown on his head but when he looked carefully, it seemed as though that there were about 3 crowns upon His head. Before the angel could say who that person was, Mr Situ knew that it was Jesus, since his face bore a beautiful loving and caring personality. He seemed to have great compassion. His hair was white and shone as wool, and the GLORY of the Father were also reflected on Jesus' face and on His throne. On the side of Jesus throne were two tables of stone- the TEN COMMANDMENTS. Angel told Mr Situ that the place where Jesus was the table containing the 10 Commandment table is very Holy indeed. (In Bislama, "I tabu we I tabu tumas"). None of the angels were allowed into that place or enter that room. When Mr Situ looked very closely on Jesus, he could see that on Jesus was reflected the TEN COMMANDMENTS. Everything seemed to be the same as in the first visit to heaven. The fourth Commandment of the Ten Commandment was very clear and distinct indeed and could be read even from a far distance **"Remember the Sabbath Day to keep it Holy"**. As he gazed upon the fourth Commandment, the angel continued to relate the importance of the fourth Commandment and its relation to its importance in Heaven and the system that heaven is guided by. This is from the mouth of the angel: "Don't forget that GOD THE FATHER has only ONE SYSTEM and the whole of heaven

follows this system. Since the beginning, Adam and Eve, the Patriarchs and Prophets, Jesus birth, Ministry, Crucifixion and ascension, to the Apostles, the Dark ages, up until today in this last generation, this one system will continue until the second coming of Jesus. It will continue in heaven throughout ceaseless ages and throughout eternity. The main reason for your second visit is to prove to yourself that all heaven is busy with their duties and schedules. When it comes to Sabbath however, all activities come to a halt/full stop. Millions of angels in heaven worship GOD THE FATHER and GOD THE SON while others of the Holy angels fellowship and worship with the Seventh-day Adventist churches upon earth. When the Sabbath is finally over, the angels will return again to their normal chores and duties.” Mr Situ saw that the Sabbath is HOLY indeed in heaven and it is the only day that the angels of heaven are resting. There is no other day of rest. While Mr Situ was still gazing upon that scene, suddenly the angelic host sang praises to GOD with the Hymn, “When we all get to heaven”. Mr Situ stood and tears of Joy flowed from his eyes whilst the chorus of heaven were ringing and blazing with the wonderful words of this hymn. When they finished singing, they played the song again but this time with musical instruments, like trumpets. It is very hard to describe the melody and sweet sound that heaven produced. The angel comforted Mr Situ that it won't be long before God's people will enter the Paradise of God.

At the end of the song, the angel of the LORD bore Mr Situ out of the city back to the place where they had entered before, the Orion gate and looked down to the our sinful world.

c. The view of the Earth from Orion- “The World is fully ripe with SIN”

The Angel told Mr Situ to look very carefully at our planet and see its condition and this is what Mr Situ described:

“I want to assure everyone; both men and women on the earth that our world is waxing old and rotting away very fast. It resembles a yellowish colour and half of it is reddish as if it had burnt up already. As he gazed upon the earth, he could see that it is tilted very much to one side and seems as though it is spinning a little bit faster and quicker.

Looking down, it seemed as though the times, years, months, weeks and days were running out very quickly and faster compared to time passed.” Angel told Mr Situ that the yellow and reddish colour represents the world as fully ripe filled with SIN and to its full capacity. God will not allow this to continue any longer. If God lets this World linger a little longer, Satan will triumph over His people and finally destroy their lives and most will miss out in God's Kingdom.

d. From Orion to earth's satellites (Earths satellites and their final work):

As they travelled back to earth, they reached the orbiting satellites, scores and scores of them up in space. The angel told Mr Situ that these Satellites are up there with a special purpose. Their involvement will be seen during the persecuting time of the Sunday Law enforcement. Many good Christians and Sabbath keepers will try their very best to hide but their effort will be in vain as the searching of these satellites are very critical and distinctive. The only safe place to be is for them to prepare their lives now. Now is the preparation time for all God's people to reconsider their lives and make necessary preparations and be secured with their Lord and Saviour Jesus Christ. Jesus will rain

down His angels in the time of great persecution to save his sincere Children from the terrors and anger of evil men who will be totally controlled by the Devil Satan and his evil angels. This is also a warning that the final battle of Satan against the Sabbath Keepers will be the Worst fight over God's dear Children. However, God has promised, He will never forsake His children.

Mr Situ got up very early in the Morning around 4am and as usual, said his prayers and opened up his Hymnal and sang the song with tears as he recalled the song from the vision "**When we all get to Heaven**". Mr Situ would like to assure everyone who is reading these testimonies; "Don't allow the Devil Satan to deceive you. Please, please, please, don't miss and lose out on heaven. It's not a dream place but it is very real indeed. My second visit is purposely to prove that Heaven is real and real indeed. Take heart and be comforted. It will not be long and we will be there if we prove faithful."

Wordings of the Song "**When we all get to heaven**" worth meditating upon

WHEN WE ALL GET TO HEAVEN

Verse 1:

*Sing the wondrous love of Jesus
sing His mercy and His grace
In the mansions bright and blessed
He'll prepare for us a place*

Chorus:

***When we all get to heaven
what a day of rejoicing that will be
when we all see Jesus
we'll sing and shout for victory!!!***

Verse 2:

*While we walk the pilgrim pathway
clouds will over spread the sky
but when travelling days are over
not a shadow, not a sigh*

Verse 3:

*Let us then be true and faithful
trusting, serving everyday
just one glimpse of Him in glory
will the toils of life repay*

Verse 4:

*Onward to the prize before us
soon His beauty we'll behold!
soon the pearly gates will open
we shall tread the streets of gold*

4. CONFUSION ABOUT THE EVERLASTING HELL FIRE:

There has been confusion as to whether there is a burning Hell at the side of Heaven in which evil people are burning slowly night and day. There is no burning Hell as such. In both of his 2 trips to heaven in Vision, Mr Situ said that there is no room as such in heaven where most people describe as a burning hell with fire, and people crying night and day. There is no sin, pain and suffering in God's paradise but a place for perfect joy, harmony and peace.

One morning, the angel of the Lord reported that the angels have made a huge survey around the world with respect to volcanoes and came to Yasur Volcano in Tanna to have a look into its crater. Said the angel of the LORD to Mr Situ "We have visited all the volcanoes of the World and I would like to assure you that all the volcanoes are now awaiting the divine command to demonstrate their last power in God's final Judgement. God will rain down fire from heaven and at the same time, the volcanic fire will also break up the earth's surface to Destroy Satan, his evil angels and the people who follow his dictates. The Devil Satan, his evil angels and the evil people and everything in the World will be burnt to ashes. Then God and His Son will recreate this World again where there will be no more SIN and Suffering but a sinless pure environment."

5. EXHORTATION FOR ALL SEVENTH DAY ADVENTISTS- Getting back to the Spirit of Prophecy writings and discerning what to do in these last days:

[March 2012]:

Around March of 2012 early one morning, the angel of the LORD said that the following exhortation must reach every SDA's around the World. They have to read widely the writings of Ellen G White (Spirit of Prophecy) naming a few: Great Controversy, Last days' events and discern for themselves what preparations (Revival & Reformation) they have to make in relation to the outpouring of the Holy Spirit in Latter rain power and how they can be effectively used as God's instruments in the finished of His work in the final days of this earth's history. It is sad to see that many of the professed people of God in the SDA churches are very slow of heart to believe in the work of the Holy Spirit in these last days. The angel of the Lord made a very strong statement that God is not pleased when this is happening to His chosen people. When His chosen ones are continuing to harbor laziness in their spiritual walk with Him and begin ridiculing and feeling contempt to heaven's warning messages, they will be surely passed by from receiving heaven's blessings of the Holy Spirit. Most of these professed people have more care about the Worldlings and pleasures of this world than investing their time and resources in the dear course of the Gospel Commission. Therefore, the timely opportunity that demands their participation and involvement is wasted. For that reason, Jesus allowed these final days for us to agonise in prayer; Sincerely praying for the outpouring and infilling of the Holy Spirit in latter rain power to open the way so that we can share the last warning message to the families in other denominations, customs/traditions and other religions with love and sympathy. It is time to get out from our comfortable zones. It is Satan's deception to allow the spirit of complacency and quietness to trap the professed people of God in the churches to keep silent. Heaven knows very well that the first handout of the testimonies under the banner of "Time is running out" had been treated lightly especially the weak points the testimonies had identified. It is vitally

important to ponder on these themes; Salvation, sealing, close of probation, 7 last plagues and Jesus soon return as a first top priority in life. There will be no second chance when probation is finally closed and sad to say that most people will miss this part and lose their salvation. It is still sad to see that most church members do not do their best in keeping of the Sabbath and especially guarding it's opening and closing. God's people must know that true revival begins in the heart, mind and soul. When the professed people of God take revival as just another church program, it won't have a quickening power to change them. Heaven knows those who have sincerely repented of their sins and those who are pretending. Therefore it is important to make every effort be part of the sealing process before probation closes.

6. Encounter with the Power of Darkness the second time:

[End of April 2012]

At the end of April 2012, Satan appeared the second time in fulfilment of his promise when he made his first visit to Mr Situ. He had told Mr Situ that if the testimonies are spreading to the wider circle and community, he will appear the second time to challenge Mr Situ and here he is again. Said Mr Situ "The devil Satan appeared to me again and was very cross with me"

Satan: "It is me again, and I have come to challenge you because you didn't obey what I suggested to you last time. You went ahead and spread the message, the testimony of Jesus, which the angel of the LORD is communicating to you. I see that your effort is spreading to other regions and it seems as though it will be quite hard to stop you. I want to tell you something, firstly, Yes, I am witnessing that Jesus is the true Son of God and it is very true that not very long He will come back to take His people to heaven. Secondly, I would like to confirm to you that I would lock up every place; the young people everywhere and every church member of the Seventh day Adventist Church. I will weaken their minds so that when they hear those testimonies, it won't have any impact or kindle any interest and they will continue to doubt these warning messages. They will take their stand to improve their spiritual lives but they will continue to linger in their decision for a true heart and soul searching and seeking the blessings of true revival. I will exercise my last powerful tactic to stop millions of people in the world and will not be surprised to see that probation closes without their decision for Jesus and it will be forever too late. They will lose heaven, the place where you pay a visit to and they will end up in the lake of fire which the Lord prepared to rain down on all of us."

7.

Parable of the Breakaway families of the Seventh day Adventist Church:

Nambanga, etc

The angel of the LORD repeated the parable twice regarding the fragmental groups of the Seventh day Adventists Church.

The RIGHT SHIP & THE RIGHT PASSPORT:

Said the angel

"I will repeat the words against the breakaway families. Please do not preach that the Seventh day Adventist Church is Babylon and calling on the members to come out of it. Please don't do that ...NO NO NO! The Seventh day Adventist Church is GOD'S church on

earth and it is the only church on earth that has full information to enter heaven. Today, there are lots of ships that are ready to leave the wharf but I want to encourage everyone in Tanna, Vanuatu and everywhere in this World to make a decision to board the right Ship. You have to check all these ships and see which one has a good engine, good navigating instruments/compass, with a good Captain and finally you have to have the right type of Passport. If you check all these items and identify the right ship, it will take you safely home to heaven.”

The BANYAN/NABANGA TREE

The Heavenly messenger continued:

“The Seventh day Adventist Church is likened to a huge Banyan tree (Nabanga Tree) with branches. Many different types of birds usually come and receive blessings and nourishment from the fruits it produces. However, when there is a huge storm or cyclone, the severity of the storm strikes down most of its branches and left the stem bare. The birds didn’t have any more places to sit and be nourished since all the branches are being bitten off and withered away while disconnecting to the stem. After the storm, new shoots of the Banyan tree sprout up from the stem again and begin growing producing the branches and starting to bare more fruits. As a result more and more birds flocked in again to be nourished and blessed by the Banyan tree.”

The Meaning of the Right Ship & Banyan Tree

Said the angel of the LORD

“The Seventh day Adventist Church is the STEM of GOD’S CHURCH in this World beginning at Creation, Adam and Eve up until today. The Same Sabbath of creation is being kept right up till this very day; It is still the same and has not been changed. The Devil Satan will try his best to destroy God’s Church and cause fragmentation in little groups and will deceive many people that life is in the branches of the Stem that are being beaten down by storms. However, all the breakaway branches from the Banyan stem will eventually die. When new shoots and branches sprout and produce fruits, more and more people will come from all over the place to that only one stem (not two) and find nourishment. This is one of the last signs that when the people finally find their shelter and nourishment in the Banyan tree they will await the soon return of Jesus Christ in the Clouds of heaven. Therefore, that one Stem which is the Seventh-day Adventist Church is the right Ship that also has the right Passport. Through the Coming crisis and Sunday Law enforcement, Satan will try his very best to attack that one stem and the right ship because of the Sabbath. At the end of the day, God and His Son Jesus will win the fight over the devil Satan. So this message of that one stem and the right ship must be shared to all people everywhere, the custom people, the Sunday keeping members and people everywhere to hear this final warning of the coming Sunday Law enforcement crisis and make up their decision to be part of the right ship.”

8. Breaking up barriers with the other Non- Adventist Communities and Churches:

[April 2012]

Early one morning in April of 2012, the Angel of the LORD visited Mr Situ and gave this information. Said the angel “Now that we are living in borrowed times, the Seventh-day Adventists church members must start to break up the barriers they have with other Christian denominations who are worshiping on Sunday and those of John Frum and custom,

etc. Go and worship with them and share the testimonies with them how to enter heaven. Heaven is for everyone. God and His Son Jesus have prepared enough rooms for everyone that have been born into this world. Invite them to come and worship with you on Sabbath so that God’s message and truth about Sabbath can be proclaimed quickly before the end comes. Fellowship and pray with them and share one another’s needs and God will intervene where necessary with the Power of the Holy Spirit. Teach them about the close of Probation, the 7 last plagues, the 2nd Coming, 1000 years in heaven (The one thousand years will be as if just a day). Teach them about the last fire that will cleanse the World, burn Satan, his evil angels and those who deliberately follow Satan. Teach them about the New Jerusalem that it will come down to this World and will settle in this World for eternity after the World has being cleansed by fire.

Conclusion:

It is an urgent appeal that the people of this World must not forget that this World is already filled to the brim with SIN. Our Loving GOD is pleading and appealing for the last time to save as many people as He can, even to the very last minute before the door of mercy is closed and Jesus’ Ministry comes to an end. This World will end in front of the very eyes of the people of this last generation. There is no other generation, therefore it is very crucial to work out your salvation with trembling and fear.

Revelations 22:12- KJV- “Behold I come quickly and my reward is with me to give every man according as His work shall be.”

Passport for Heaven

Revelation 22:14- “Blesseth are they that DO HIS COMMANDMENTS that they may have right to the tree of life and may enter in through the gates into the city.”

Amen!
